Welcome Message

In the name of Allah, most gracious and most merciful

It our pleasure to invite you to attend and actively share in 2023 cardiology department mansoura university annual conference.

There will be well designed 5 scientific sessions covering most up to date topics in clinical cardiology.

Session 1 covering up to date topics in hypertension and cardiac amyliodosis, session 2 covering our clinical experience in the field of EPS and cardiac arrhythmias. Session 3 covering a specific topics in the field of interventional cardiology. Session 4 and 5 covering most up to date guidelines for disgnosis and therapy of chronic and acute HF.

Also, there will be a two-day workshop clinical use of cardiac CT and cardiac MRI.

We are full of hope that your participation and interactive discussions will benefit everyone of us and be eventually translated into providing better care for our patients.
